Re: Performance at our Corporate Event

Dear Ms. Hayden,

Again, we would like to thank you for your appearance at our Employee Holiday Party last Saturday. Based upon the employee response to our feedback form, we must say you had a five (5) rating (exceeds expectations) across the board. We hope that you will contact Jessica for next year's date.

Your ability to adapt your performance around our specific industry was amazing and truly appreciated. Your humor was direct and concise towards our audience. Your interaction and improvisation with our employees and their families was endearing.

Please find enclosed a token of our appreciation. I, along with my holiday committee, wish you luck in your future endeavors and a Happy New Year. Hope to see you soon.

Sincerely,

  
Ben Douglas
