

COMEDIAN PATHS

(REV. 5/12/2018)

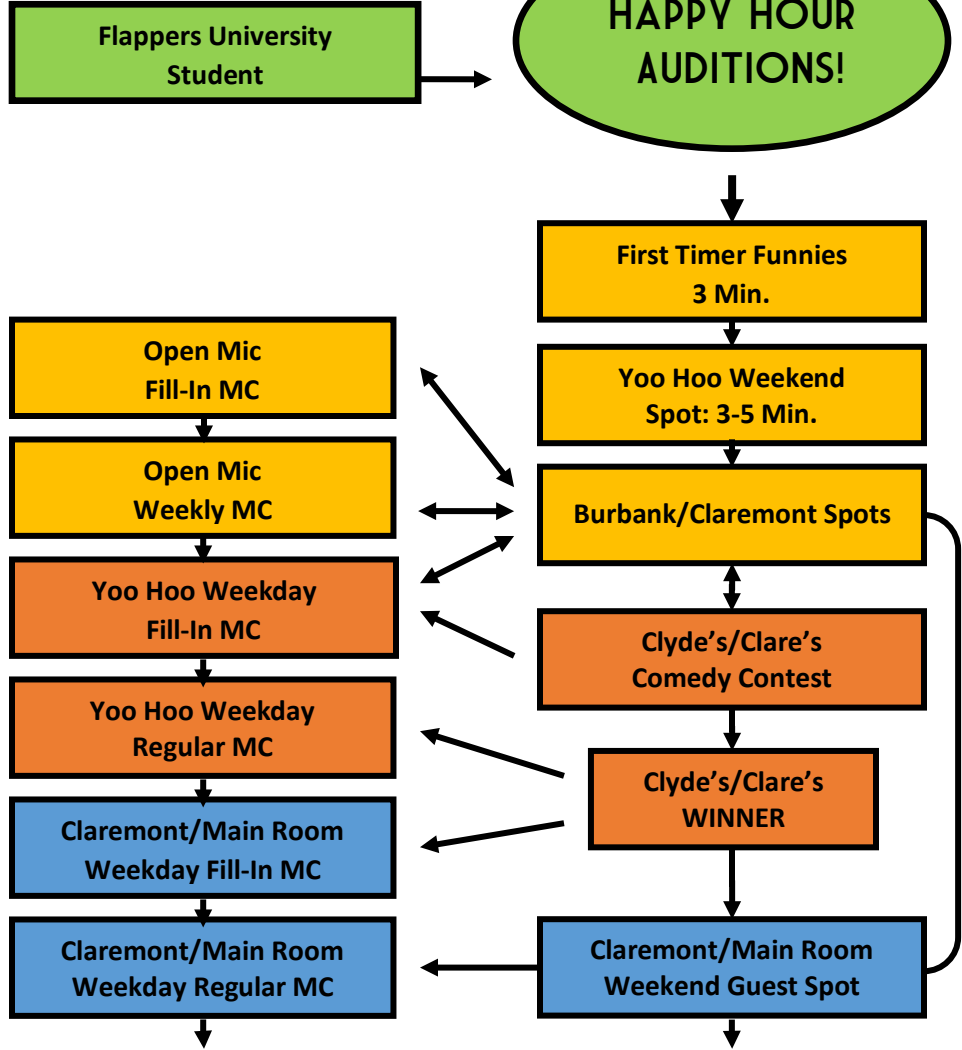

At Flappers Comedy Club, we have opportunities for all levels of comedians to perform, from beginners through established headliners. Everyone's path is different, but this is a general guideline of some of the steps available to you at Flappers.

Start out at the Auditions held every Wednesday and Thursday at 6PM in Burbank (sign-ups at 5:30PM). If you're a newer comedian, we'd like to see you every 3-to-4 months so that we can evaluate your progress. The auditions are the best place to get the undivided attention of the club owners and bookers.

We are looking for comedians to perform in Burbank in our Main Room (200-seats) and Yoo Hoo Room (50-seats) and in our Claremont location (100-seats). We want comedians with an equal understanding of joke structure, stage presence, and marketing.
